

I'd Give a Whole Dollar Just to Get Another Nickle

(D)

(5th line instrumental intro D-A-D)

(D) I was running scot-free--all around the world--and I always traveled (A) alone
(A) Living high on the hog--with money to burn—never had a home of my (D) own
(D) But you came along--like a beautiful song--and dazzled me with your (A) charm
(A) Now I stay close to home—like a king on a throne--snuggled in my baby's (D) arms
(D) I'd (A) give a whole dollar just to get another nickle----to spend on you my (D) dear

Instrument break—(The 5th line only D-A-D)

In the early morning dawn—I wake up and yawn—Then I turn and look your way
Cause there ain't no other--in this whole wide world—with a more beautiful face
You're always close by --when I need a little love—you're never ever gone too long
That sweet love you have—and willingly share—has made for a beautiful home
I'd give a whole dollar just to get another nickle-----to spend on you my dear

(FULL 5 VERSE BREAK)

I think back when--of the way I was then—before you became my bride
I was burning my candle--at both ends—staying out late every night
I thought I had--the world by the tail--but you made a believer out of me
When you gave me of--your sweet, sweet love—it left me weak in the knees
I'd give a whole dollar just to get another nickle-----to spend on you my dear
(5th line)

You led me gently--all the way to the altar—with a big smile half a mile wide
The preacher was there--and read from the Bible --and you became my bride
I'm not complaining--when I bring home the bacon—you meet me at the door
Tripping over the kids--to gives me a big kiss—saying you love more than before
I'd give a whole dollar just to get another nickle-----to spend on you my dear
I'd give a whole dollar just to get another nickle-----to spend on you my dear
