

# LITTLE JESSICA ROSE

(G)

God made a special flower—and we (C) called her----Little (G) Rose  
But now (C) we live with (G) sorrow—Little (A) Jessica-Rose is (D) gone----  
That old (G) virus got into our home—(C) how we'll never (G) know  
I (C) wish it had chosen (G) me—but it (D) picked our--Little (G) Rose

**(Last Line Turn Around)**

When the Covid took our Little Rose—it left a (C) sadness in our (G) heart  
At (C) times we think about her (G) —and it makes (A) the teardrops (D) start----  
Then (G) all of her good memories—come and (C) push the tears (G) away  
And (C) memories of an (G) Angel—brings us (D) through another (G) day

**(Music Break—1/2 Verse)**

Today we gave her pretty clothes--to (C) those with none to (G) wear  
We (C) knew she wouldn't (G) mind at all-be (A) cause--she always (D) shared----  
And her (G) favorite toys and dolls--she won't be (C) needing any (G) more  
We (C) gave them all (G) to her best friend--the little (D) girl right next (G) door

**(Last Line Turn Around)**

Little Rose is up in Heaven now—sharing her (C) love on Angel (G) wings  
We (C) often think (G) about her—when we (A) hear the Robins (D) sing----  
And (G) when we see a Rainbow--reaching (C) far across the (G) sky  
We (C) know she's there with (G) Jesus—and (D) everything's all (G) right  
Yes we (C) know she's there with (G) Jesus-----and (D) everything's all (G) right

**Last Line exceptionally slow**
