

Walking With My Lord

(E)

In the cool of the morning--Before I start my day
I always take a moment --To bow my head and pray
Then I go (A) walking—(B) w--i--t--h-----my (E) Lord

Walking—Walking—Walking—Walking—Walking with my Lord
(A) Walking—Walking—Walking—Walking—Walking with my (E) Lord
No (B) matter the time of day---He (A) takes my cares away
(B) When I go (A) walking with my (E) Lord

(Music Break)

In the heat of the day--When troubles mount up high
In a moment of reflection--I glance up to the sky
Then I go walking—w--i--t--h-----my Lord

(CHORUS)

(Music Break)

And when life's work is done--And darkness closes in
With no more hills to climb--And no more battles to win
Then I'll go walking—w--i--t--h-----my Lord

(CHORUS)

(Music Break)
