

# A LITTLE BIT OF LIGHT

(E)

A little bit of light--will (B) shine a long way  
A little bit of faith—can (E) change the day  
When you become a spirit filled (A) man-----  
The (B) words of Jesus you will (E) understand

God spoke of faith --like a (B) mustard seed  
Saying that seed--could (E) grow to be a tree  
This carnal man can (A) never understand-----  
(B) God is speaking--to the spiritual (E) man

God speaks of mountains--thrown into the sea  
And whatever you ask—will surely come to be  
He speaks of mountains--encountered by man-----  
Not the ones God made--with rocks and sand

We have the faith--God has saved our soul  
And when we die—join that heavenly fold  
But when we have--unsurmountable needs-----  
Still lack the faith--of a little mustard seed

Many times we try—to figure it all out  
Until the answer--we hope we've found  
It's spoken by God—the only way we can-----  
Is through the eyes--of a spirit filled man

So trust His word—In everything you do  
The answers is there—for me and for you  
Just allow the Holy Spirit to enter in today-----  
And all the confusion will quickly go away
