(G) (A-Cappella) She looked back and lost her life

Halle (C) lujah—Halle (G) lujah—Thank you (D) Jesus that you (G) came

Halle (C) lujah—Halle (G) lujah—Lord we (D) bless your Holy (G) name

(MUSIC BREAK)

When Jesus died on Calvary—Don't give in and don't look back

He's set us free to be free indeed--Don't give in and don't look back

Satan will lie saying that's not so—Don't give in and don't look back

Every day Satan lies more to you

(MUSIC BREAK)

Satan will scheme again and again—Don't give in and don't look back

To keep you out of the Promised Land--Don't give in and don't look back

God sent His only Begotten Son—Don't give in and don't look back

He shed His blood and we have won
