

# HIS GREAT LOVE SPILLED DOWN OVER ME

(G)

I (C) went to the cross--And was (G) there on my knees  
Where the warm blood of Jesus—Spilled down over (D) me  
I (G) felt a great peace—And my (C) burdens lift away-----  
Was the (G) day His great love—Spilled (D) down over (G) me

(Turn around)

I was told about Jesus—The only (C) way to Heavens (G) door  
How He paid for our sins—To be remembered---no (D) more  
Defeating (G) Hell and the grave—From (C) there on the (G) cross  
Jesus suffered and He died—For a (D) world--that was (G) lost

(Full Chorus Break)

I was told of His blessings—That none could compare  
I was told of the Comforter—Who would always be near  
I was shown in the Scriptures—About the All Caring One  
I've surrendered my heart—To God's only--Begotten Son

(Turn around)

Now I walk with Jesus daily—He's the path that I take  
He lightens my burdens---And He directs all my ways  
I thank God for His mercy—For the Rock where I stand  
He's my shelter in the storms—of this unworthy man

(Chorus)

I felt a great peace—And my burdens lift away  
Was the day His great love—Spilled down over me
