(GROUP) A-Cappella *I don't walk---in sin no (G) more*

(2nd VERSE MUSIC BREAK)

(Same Structure)

Jesus always lights the way---

When I seek Him every day---

He paid the price so I could say---

I don't walk in sin no more

It's who I am and who I know---

That protects me from the foe---

He's always with me where I go---

I don't walk in sin no more

(2nd VERSE MUSIC BREAK)

It's who I am and who I know---

That protects me from the foe---

He's always with me where I go---

I don't walk—in sin no more
