

I HAVE A FRIEND

(Children Song) (Prov. 8-17 KJV)

(Music Intro/Break and Close -DD--GG-DD-AA-GG-AA--DD-AA)

(D)

Early in the morning--- (G) when I arise
I (D) slowly rub---my (A) sleepy eyes
Then I (G) get my Bible--and (A) read me a verse or (D) two---(A)

That (D) always helps--- (G) through the day
(D) Gets me up---and (A) on my way
(G) Oh what a joy-- to (A) have a friend like (D) that---(A)

(Music Break)

Now I have Jesus---Is in my heart
Old Satan's lies---Can't tear me apart
God's Love and Grace are more than sufficient for me

Now if you don't--Know my friend
Simply ask---He will come in
Then you'll have joy--like we are talking about

(Music Break)

Today is the day---And now is the time
To leave old Satan far behind
And go and tell the world--Jesus has set us free

He's sets us free---Free indeed
He directs our steps---Supplies our needs
Oh what a joy---I have a friend like that (X 2 or 3)
