(CHORUS)

Won't you come and walk with me today  
Won't you come and walk with me today  
The path is narrow that is true  
But there's always room for y-o-u-----  
All you need is your brand new--pair of shoes

The path is narrow that is true  
But there's always room for y-o-u-----  
All you need is your brand new--pair of shoes

The path is narrow that is true  
But there's always room for y-o-u-----  
All you need is your brand new—pair of shoes
