

IT WASN'T THE NAILS

(G)

In the dark of night-----the (D) soldiers (G) came
They found (C) Jesus-----and they took Him (G) away
The women (C) cried and the multitude---gathered (G) 'round
They mocked Him and proclaimed—(D) save yourself
(C) ---if you really are the (G) King
Then they (D) stood---that old (C) cross--- in the (G) ground

Yes they (D) thought this was the end
He'd never (C) bother them (G) again
They didn't (C) know they were (G) fulfilling the Master's (D) plan----- (STOP)
He gave His (G) life---because He cared
It wasn't the (C) nails that held Him there----- (STOP)
When they (G) stood---that old (D) cross--- in the (G) ground

(MUSIC BREAK)

They killed Jesus---with (D) no (G) remorse
But the blood of (C) Jesus---is forever (G) more
They didn't (C) know in three days he'd---rise (G) again
All a part of God's great plan—(D) His Son's life
(C) To redeem us---from our (G) sins
When they (D) stood---that old (C) cross---in the (G) ground

(CHORUS)

It wasn't the (C) nails that held Him there--- (STOP)
