

LORD BUILD A BURNING FIRE IN ME

(D)

(MUSIC INTRO—CHORUS)

Lord, build a burning fire in me--- (G) build a burning fire in (D) me
I (G) want to be used by you a (D) gain—Lord, (A) build a burning fire in (D) me

I go to church all the time---And I tithe right down to the dime
That front row seat's all mine---Lord, build a burning fire in me
Lord, lead me to serve again---Let me be your outreached hand
Lord help me to take a stand---Lord, build a burning fire in me

(CHORUS)

(MUSIC BREAK—THE CHORUS)

I don't remember the last soul—I helped bring into the fold
I want to serve you and be bold---Lord, build a burning fire in me
There are many who've lost their way—Many who'll perish today
I want to lead them to be saved—Lord, build a burning fire in me

(CHORUS)

(MUSIC BREAK—THE CHORUS)
