

LORD TEACH ME TO DANCE IN THE RAIN

(G)

Lord I've sought you —oh so many times
In (C) continuous--praise of your (G) name
Now I (C) here—again in--faith (G) believing
Lord teach me—to (E) dance--in the (G) rain
Lord teach me--to (D) dance--in the (G) rain

You led Moses—all through the desert
Through the Red Sea—then on dry land
You gave manna—to feed all his people
You showed him Mercy--time and again
(Refrain)

Job trusted--you and--you blessed him
Returning much more—than Satan stole
Because he never—quit trusting you Lord
You gave him back—a bounty un-told
(Refrain)

Throughout-- the Bible —in the stories
You have always—been there--for them
When they learned—to trust you Jesus
They found you—their only true friend
(Refrain)

I come pleading--once again--Lord Jesus
In overwhelming —weakness and pain
Lest these burdens—do overtake me
Lord teach me--to dance--in the rain
(Refrain)
