

MY SWEET VIRGINIA

(G)

(G) Ooh (F) Sweet (C) Virginia—(D) w—h—y do you make me (G) cry
(G) Ooh My Sweet (C) Virginia—I feel a (D) big ol—teardrop--in my--(G) eye

(G) My heart--was hurting (F) bad--when I (C) left you
But my (D) shoes--couldn't wait--to get (G) away
When I think--of your (F) beauty--in the (C) mornings
Will your (D) beauty--still take my--breath (G) away

(CHORUS)

(MUSIC BREAK)

Do you still--have the sweet--smell of flowers
When the morning--dew is on--the ground
Will you take away--this ooh--lonesome feeling
And restore again—that love—I never found

(CHORUS)

(MUSIC BREAK)

Soon I'll see--you again--my Virginia
I've got—a warm feeling--in my heart
I promise you--for now--and forever
Never again--will we ever—be apart

(CHORUS)

I feel a big ol teardrop in my eye
