

THE RICH MANS LETTER

(G)

In the middle of the night I heard a voice say
(C) Wake up rich man you're going to die today
I (D) went back to sleep not a worry on my mind
(A-Cappella) *I wasn't old or sick so it wasn't my time*
It wasn't my (C) time-----*it wasn't my (G) time*
I wasn't old or (D) sick-----*so it wasn't my (G) time*

(Short turnaround)

Too late I've learned God was talking to me
He loved me so much he woke me in my sleep
Just look at me now in the fiery pits of hell
(A-Cappella) *Crying out for water not doing too well*
Not doing too (C) well-----*not doing too (G) well*
Crying out for (D) water-----*not doing too (G) well*

(MUSIC BREAK)

The fires are hot and won't ever subside
They torment me every day and all night
Take heed sinner when God calls your name
There's a Hell to shun and a Heaven to gain
There's a Hell to shun---*there's a hell to shun*
And a Heaven to gain-----*and a Heaven to gain*

(Short turnaround)

Now is the time and I hope you choose well
The choice is yours be it Heaven or Hell
If you choose Hell you will burn with me
But when you choose Heaven with the Angels you'll sing
With the Angels you'll sing-----*with the Angels you'll sing*
With the Angels you'll sing-----*with the Angels you'll sing*
When you choose Heaven-----*with the Angels you'll sing*

(Repeat Last 3 lines)
