

THERE CAN BE NO OTHER WAY

(D)

There can be—no (G) other way—no not (D) one
And it's through—God's (G) only--begotten (D) son
He is the one—who paid the price
And his (G) name--is Jesus Christ----- (stop)
There can (D) be—no (A) other way—no not (D) one

Jesus is—the only way—to Heaven above
There is--no other way—without His love
God sent His Son—a job to do
Was a ransom—for me and you----- (stop)
There can be--no other way—no not one

(CHORUS)

There is—no other Truth--above Him
Satan will say—that's a lie—it's a myth
But we know God—sent His Son
Who redeemed us—with His blood----- (stop)
There can be—no other way—no not one

(CHORUS)

Jesus is--the only way--to eternal life
If you follow—another god—you'll die
When your Savior—you have spurned
Forever in hell—you will burn----- (stop)
There can be—no other way—no not one

(CHORUS)
