

WHAT A BEAUTIFUL DAY

(G)

(G) What a beautiful- (C) day-----
(D) Lord when I'm--with (G) you-----
What a wonder--ful (C) time-----
(D) In everything--that I (G) do-----

I want to thank you--Lord (C) Jesus-----
(D) For a love--I can (G) share-----
For the joy--in my (C) heart-----
(D) When I awake--and you're (G) there-----

(Music Break)

Since I--met my Savior
My hearts--not the same
Sometimes--it overflows
And through tears--I proclaim

I want to thank you--Lord Jesus
For being--my friend
And for letting--me know
You're with me--once again

(Music Break)

What a blessing--it is
Knowing Heaven--is mine
It brings tears--to my eyes
And it happens--all the time

And someday--when I'm old
When my youth has--gone away
I will look--on His face
What a beautiful day
