

WHY DON'T YOU LAY IT DOWN

(D)

Well-----the trash truck comes about once a week
So we (G) gather up our trash and put it by the street
But (A) Jesus made a much bigger promise to you
(A-Cappella) *He would take away your garbage and your—sin too*

Why don't you lay it (G) down—Let Him take it (D) away
Why drag it (A) around—when there is a better (D) way

Jesus paid your bill by the way of the cross
Your sins (G) and your trash at no extra cost
Why (A) keep those things buried deep inside
(A-Cappella) *Then dig them up with a little bit of pride*

(MUSIC BREAK)

Old-----Satan will tempt you ever chance he gets
As a child of God you surely know this
He'll steal your joy and shatter your peace
But when you call on Jesus the Devil has to flee

(REFRAIN)

Brother and sister kneel down and pray
Stay there in prayer and give it all away
Give Jesus the things that are causing you grief
He sent you a Comforter for times like these
