

Angels on Call

(D)

In world is full of wickedness---with (G) trouble all (D) around
Things can overwhelm you---and (E) knock you to the (A) ground
(D) Don't give up the battle---don't (G) let old Satan (D) win
Help is just a breath a-w-a-y-----BUT YOU'VE (A) GOT TO CALL IT (D) IN

Give a shout---Give a shout---Give a call---Give a call--Give (G) Jesus a (D) call
He will send an angel down---Or (E) He could send them (A) all
And (D) when the storm is in your face---And your (G) backs against the (D) wall
Help is just a shout a-w-a-y---GIVE (A) JESUS A (D) CALL

You have a host of angels---They are at your command
When your mind is troubled---It's time to call them in
You don't have to suffer---And you don't have to fear
Before your knees can hit the f-l-o-o-r-----YOUR ANGELS WILL BE THERE

(CHORUS)

Your angels will protect you---The Bible tells us so
They will guard you day and night---On life's wicked roads
Created by the Master---Just for you and me
To fight your fight and you'll w-i-n-----JUST MAKE THAT CALL AND SEE

(CHORUS)
