

Darling I Just Want You to Know

(G)

I remember the first time I saw you
It was down by the old swimming (C) hole
I remember the first time I (G) kissed (E) you
And you (A) ran to your daddy and (D) told

I re (G) member our young years together
We (C) laughed and had the times of our (G) life
I re (C) member the day I (G) finally got (E) courage
And I (A) ask you to (D) be my young (G) wife

(STOP)change to a slow waltz)

Darling I just want you to know
But I (C) can't seem to tell you in (G) words
That (C) having you (G) here close to (E) me
I'm the (A) happiest man on Gods (D) earth

And (G) when each day is over
I thank (C) God and I humbly (G) pray
That (C) you will be (G) right here with (E) me
Every (A) morning for the (D) rest of my (G) days
