

Fill My Heart With Your Love Lord

(D)

I have run from your love Lord--till my body's growing weak
Reach (A) down and touch me now--with your (G) Mercy set me (D) free

Reach (G) down and touch me Lord--Give me (D) ears and eyes to see
Fill my (A) heart with your love Lord--That in (G) Heaven your face I'll (D) see

(Break)

I am asking for forgiveness--that only you can give to me
Lord replace my wicked heart--with a new one--set me free

(Refrain)

(Break)

I know that your love Lord--is for any who would believe
Reach down and touch my heart--I stand ready--to receive

(Refrain)

(Break)
