

I Heard it From a Stranger

(D)

I wandered deep in darkness—Sinking (G) further in my (D) sin
Until I finally hit rock bottom—On a wide road with no (A) end
Then I (D) heard of a Savior--From a (G) stranger passing (D) by
A Savior whose great love—Could turn (A) darkness into (D) light

So I (G) fell down on my knees—And there began to (D) pray
Lord (G) if you are who they say you are—(D) Take this hurt (A) away
I'm so (G) tired of my life Lord—Something has to (D) change
I've nowhere left to turn—Won't you (A) hear my humble (D) plea

(MUSIC BREAK)

I knew God had heard me calling—I felt my heart begin to change
A great warmth flooded ore' me—I had such a wonderful peace
I felt chains quickly dropping—And all my shackles ceased to be
I will never be the same again—Since a stranger stopped for me

Now the path I walk with Jesus—Grows sweeter every day
And I have joy like never before—I have found a better way
I owe it all to a stranger—Who told me of God's great love
A stranger who knew Jesus—And shared His wonderful love
