

Smoke in the Great Smokeys

(G)

(G) Is there----still (F) smoke----in the (C) Great----Smokey--(G) Mountains ----
Or (C) have—hot (D) embers—grown (G) cold—(G run)

(BREAK)

Is the flame—burning bright—like it was—on the night----
when I—left you—to roam

(BREAK)

I know—that I—was wrong—to wander----
but darling—my feet--said go

(BREAK)

Please say—you're there--waiting long—for me----
my heart—yearns now—to know

(BREAK)
