

IF YOU HAVE TO ASK WHY I FOLLOW JESUS

(G)

If you (C) have...to ask why...I follow (G) Jesus
Then surely...you don't (F) know...who He (G) is
Surely...you don't (D) know...who He (G) is

(Last line)

(G) He will guide you...on life's...many journeys
And (C) through...the many crossroads...of (G) life
The (C) joy...you will have...walking with Him
It's more...than I could (F) hope...to de (G) scribe
It's more...than I could (D) hope...to de (G) scribe

(Last line)

(G) He died...on the cross...for all sinners
Shed his (C) blood...to redeem me...from (G) sin
Now a (C) mansion...awaits me...in Heaven
That's why...I'll follow (F) Jesus...to the (G) end
That's why...I'll follow (D) Jesus...to the (G) end

(Last line)

Oh (C) sinner...I hope...you are (G) listening
For (C) Jesus...has so much...to (G) give
If you (C) have...to ask why...I follow (G) Jesus
Then surely...you don't (F) know...who He (G) is
Surely...you don't (D) know...who He (G) is

(Last line)

He'll help you...to lay down...your burdens
He's a beacon...to show you...the way
He will answer...wherever...you call
In darkness...or the middle...of the day
In darkness...or the middle...of the day

(Last line)

He is always...right there...beside you
At the times...of your...greatest needs
He will answer...whenever...you call
Many times...while still on...your knees
Many times...while still on...your knees
